Honorable Thomas J. Dodd  
United States Senate  
Washington 25, D.C.

Dear Senator Dodd:

As Mr. Boyd has probably told you, I had a most interesting meeting on Saturday with the lady whom you suggested I see.

We had a very frank discussion and exchange of views. I have the utmost respect and admiration for this lady who has been through so much. I assured her that her situation is uppermost in my mind, as indeed it is. My door is always open to her and I shall do anything I possibly can to assist her.

I received your letter of 28 February and want to thank you for your thoughtfulness in sending me a copy of your address on Power in Space and Peace on Earth before the Foreign Relations Commission of the American Legion.

I am still hopeful that we can get together sometime in the near future.

Sincerely,

JOHN A. MCCONE
